To the Commission:

**COMMENTS IN SUPPORT OF NOTICE OF PROPOSED RULE MAKING TO
ASSIGN A NEW F M STATION AT MUKWONAGO, WISCONSIN**

Comes now, Charles P. Mills, an individual, (hereinafter "Mills") with comments to the petition for rulemaking to assign a new FM channel as a first aural service to Mukwonago, Wisconsin.

That, Mukwonago, Wisconsin is an incorporated Village, located in Waukesha County, Wisconsin and has a population of 4,464 (1990 Census). Mukwonago has a Village Administrator as well as Village President and Village Board. It has Police Protection, Fire Protection, High School, Elementary School, Post Office with it's own Zip Code and Churches. Therefore Mills states that Mukwonago qualifies as a "community" for allotment purposes, citing Beech Mountain, North Carolina, 6 FCC Rcd 5835 (1991).

That, Mills is interested in seeing Mukwonago being allowed an independent first radio voice, and Mills affirms that he would apply for an FM station at Mukwonago, Wisconsin, if an allocation were made available. Mills respectfully requests, that the Commission amend it's FM table of allotments to allot Channel 287A to Mukwonago, Wisconsin, and that if such window of opportunity exists to apply for same, Mills would promptly apply for same, and if granted, would construct promptly.

Furthermore, Mills is responding in a timely manner, as detailed in FCC Report Notice of Proposed Rule Making, released March 14, 1997.

Sincerely,

Charles P. Mills
